Section 1: Logging into OGLB's Licensing Services

To ensure maximum security, you will need an Access Idaho username and password to conduct any business online with the Outfitters and Guides Licensing Board.

The web address for OGLB's online licensing services is:

<https://www.accessidaho.org/secure/oglb/licensing/services.html>

Don't forget the "s" in the web address, which means it's a secure site. Add this web page to your favorites list for easy reference.

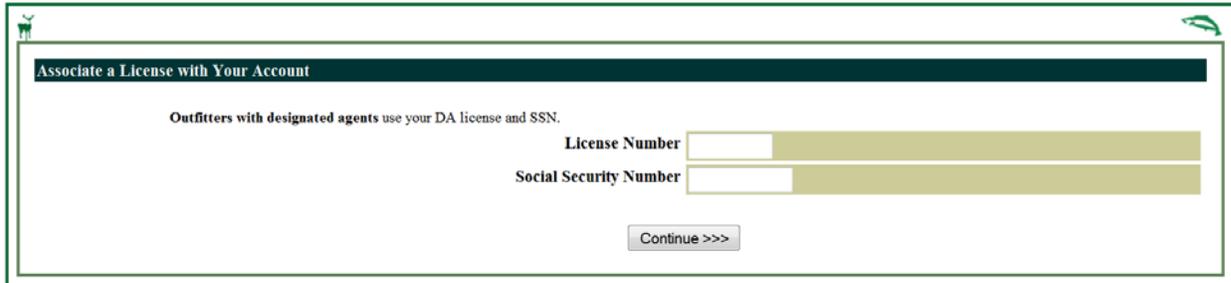

The screenshot shows a web page with two main sections: 'Login' and 'Sign Up'. The 'Login' section includes a logo for 'idaho.gov', a 'Username*' field, a 'Password*' field, and a 'Login' button. A red arrow points from the 'Password*' field to the text 'Passwords expire every 6 months.' Below the password field are links for 'Forgot username?' and 'Forgot password?', and a note that '* capitalization matters'. The 'Sign Up' section features a 'New Users start here' button. Below this button, text states 'To use this service you will need an Access Idaho account.' followed by a bulleted list: 'Sign up is free, secure and easy', 'One account for all Access Idaho services', 'Online access to your history and receipts', and 'Convenient payment options: Visa, Discover, American Express, or Mastercard'. At the bottom of the page, contact information for the Idaho Outfitters and Guides Licensing Board is provided, including the address '1365 North Orchard Street, Room 102, Boise, Idaho 83706' and the email 'licensing@oglb.idaho.gov'.

Select this link to set up your username and password. An initial password will be sent to the email address you provide after you create your user account.

Note: The first time you log into this page with your initial password, you will be prompted to change your password to one of your choosing. Passwords are case-sensitive, must be at least 5 characters long, and can contain numbers, letters, and/or symbols. For security purposes, do not allow your web browser (Internet Explorer, Netscape, Firefox, etc.) to remember your login information.

Section 2: Associating a License with Your Account

After logging in successfully for the first time (or after selecting the “I Have Another License” link on the User Services page), you will see the screen below. Enter the requested information and select the “Continue” button.

The screenshot shows a web form titled "Associate a License with Your Account". The form is enclosed in a green border. At the top, there is a dark green header bar with the title in white text. Below the header, the text "Outfitters with designated agents use your DA license and SSN." is displayed. There are two input fields: "License Number" and "Social Security Number". Each field has a white input box followed by a light green shaded area. Below the input fields is a "Continue >>>" button.

Below the header, there is a link '[Cancel Renewal]'. The main content area has a light green background with the text 'The following outfitters have authorized you to guide for them in 2012:'. Below this, there is a paragraph: 'You are renewing your license for 2012. This will not authorize you to provide any guide services during license year 2013.' Another paragraph follows: 'For each activity that requires training, any required training forms must be maintained on file by the outfitter (except for Technical Mountaineering, Level One Skiing and Level Two Skiing documentation which must be submitted directly to IOGLB) before the applicant can guide clients. To add an activity after this transaction you must submit an amendment application.' A notice follows: 'Notice: If all of your employing Outfitters are not listed below, please contact them. Request to be added to their online "Guide Roster."' Below the notice, there is a list of outfitters: '3-O : AMERICAN RVR TOURING ASSOC'.
