00. CONTINUING EDUCATION		
All licensees must complete the following continuing education requirements: ()	Commented [KS19]: Will look at other states	
01. Requirement. For licensed sign language interpreters and up until January 1, 2021, for all other icensees, <u>F</u> each licensee will successfully complete, in the twelve (12) months preceding each renewal of their icense, a minimum of ten (10) contact hours of continuing education <u>directly related to the scope of their pratice</u> and sponsored by a national, state, or regional professional association or an institution of higher education ()	Commented [LK20R19]: Consistent with surrounding jurisdictions. However, if we are moving to biennial renew- al, we may want to make this every two years.	
a. Effective January 1, 2021, for licensees other than sign language interpreters, each licensee will uccessfully complete, in the three (3) years prior to their license expiration date, a minimum of thirty (30) contact users of continuing education.		
<u>ab.</u> — A contact hour is a measurement of the licensee's participation in an area of study germane to the tractice for which the license is issued as approved by the Board. One (1) contact hour requires one (1) hour of articipation in a Board approved continuing education program excluding measure and breaks. One (1) contact hour quals one (1) clock hour for purposes of obtaining continuing education credit		
For college or university courses that are approved by the Board for continuing education credit, ne (1) semester credit hour equals fifteen (15) contact hours; one (1) quarter credit hour equals ten (10) contact hours.		
d. For proctoring the hearing aid dealing and fitting examination administered by the Board, a licensee nay claim three (3) contact hours per exam up to a total of six (6) contact hours during each year, provided that a cicensee may not claim more than nine (9) contact hours during any three (3) year period. ()		
e. Effective January J, 2021, the Board will waive the continuing education requirement for the first hree (3) license renewals after initial licensure for licensees other than sign language interpreters. For sign language interpreters and up until January 1, 2021, for all other licensees, the Board will waive the continuing education equirement for the first renewal after initial licensure.		
02. Documentation. Each licensee must maintain documentation verifying hours of attendance, by securing authorized signatures or other documentation from the course instructors, providers, or sponsoring stitution. This documentation is subject to audit and must be provided upon request, by the Board or its agent.		
03. Waiver. The Board may waive continuing education requirements for reasons of individual hardship, neluding health, when certified by a medical doctor, or other good cause. The licensee must provide any information requested by the Board to assist in substantiating hardship cases. This waiver is granted at the sole discretion of the Board. ()

Any person who practices the fitting and sale of hearing aids mu twith the person to be supplied with the hearing aid, which is signed by the licensee and e information required in Subsections 600.01.a. through g. The written contract must b	the consumer.	
	time of the sale and must contain the following:	()	
a. of the hearing a	License number, Business address, and specifications as to the make, model, and mar id;:	nufacture date	
b.	Business address;	()	
c.	The specifications as to the make, model, and manufacture date of the hearing aid;	()	Formatted: Not Highlight
	Clearly state the fl full terms of the sale, including a minimum of thirty (30) day tri st seventy-five (75) percent of monies paid, the exact portion of the purchase price,	, not to exceed	Commented [LK41]: Redrafted for consistency with 54- 2906(2)(b)
nonrefundable; e.	\$%) percent of the total purchase price of the hearing instrument and fitting exp	() ()	Commented [LK42]: This is consistent with surrounding states and I think we should keep it but require 12 point font, which is the minimum requirement for surrounding states.
f.	Be clearly marked as "used" or "reconditioned," if whichever is applicable;, if the	aid is not new;	Formatted: Not Highlight
and	()	/	Commented [LK43]: Rewritten per 54-2906(2)(c)
g.	In print size no smaller than ten (10) point type:		Formatted: Not Highlight
i. complaints aga	The address of the Division of Occupational and Professional Licenses and the proce- inst anyone licensed to dispense hearing aids Address and telephone number of the		Commented [LK44]: I don't know what this means, legal ly. A waiver is different form a disclosure.
	nd Professional Licenses.		Commented [LK45]: Null, void and duplicative all have the same legal meaning. This is unnecessary.
ii. (30) days of sig	A disclosure that the contract is void if the hearing aid is not delivered to the consume mature, and that if this occurs, the licensee will promptly refund the full purchase price		Commented [LK46]: Spelling error.
the consumer w not delivered to promptly refun 02.	he contract is null and void and unenforceable if the hearing aid being purchased is ne ithin thirty (30) days of the date the written contract is signed, and that in the event the b he consumer within thirty (30) days of the date the written contract is signed, the d any and all moneys paid for the purchase of the hearing aid.	hearing aid is licensee shall () vaivable thirty	Commented [LK47]: List is not consistent with statute. S4-2906(3) requires: A person licensed as a hearing aid dealer and fitter shall, when dealing with a person eighteer (18) years of age or younger, obtain written confirmation that such person has been examined by a licensed totalaryn gologist or audiologist within thirty (30) days of the sale of any hearing aid.
	o cancel the purchase and obtain a refund. The thirty (30) day period right to cancel con the contract is signed, or the hearing aid is originally delivered to the consumer, while		Formatted: Not Highlight
	day period is tolled for any period in which the licensee has taken possession or control		Commented [LK48]: Rule already says it has to be in writing.
	Dealer Cancellation. If the licensee cancels the contract, the licensee must promp ice, n the event that any licensee cancels, nullifies, or otherwise, of their own volition, re tract, for any reason other than consumer cancellation as set forth in Subsection 600.02	fuses to honor	Commented [LK49]: Again, I don't know the legal im- portance of "nonwalvable" here. Insertion of waiver lan- guage would be inconsistent with mandatory language of rule.
