BOARD BUSINESS

The board took up the Rule Chapter Reauthorization, IDAPA 24.36.01. Dr. Frost first discussed drafted language in Rule 704. The scheduling of these controlled substances is in alignment with recent scheduling decisions of the Drug Enforcement Agency (DEA), as Idaho's alignment with the DEA scheduling is not automatic. There were seven new controlled substances that were added to the list of Schedule I drugs, per the authority of IC 37.27.02 (d) temporary rule. The scheduling of these substances is also in alignment with the Governor's Operation Esto Perpetua Executive Order.

Dr. Jonas moved to approve the seven new additional controlled substances to temporary rules. Mr. Sperry seconded. After a roll call vote, the motion passed.

Dr. Frost conveyed that the legislature did not pass a concurrent resolution reauthorizing fee rules. He outlined the changes which tie back to the passage of two pieces of legislation including:

H562 consolidated drug outlet (pharmacy) registrations for simplification and consistency. This decreases registrations into 2 categories, resident, and non-resident.
S1245 moved well-established definitions found in rule to statute, eliminating the need for them to remain in rule.

Dr. Ellis moved to approve changes as presented in IDAPA 24.36.01. Dr. Messenger seconded. After a roll call vote, the motion passed.

The Board reviewed details and discussed the emergency license suspension of case number 21-194. Mr. Sperry moved to affirm the suspension until the resolution of the pending federal case. Dr. Ellis seconded.

Upon discussion, the Board further reviewed the case details. Mr. Sperry amended his motion to include that the pharmacist failed to respond to all attempts of contact by the Board as well as he failed to notify the Board of the change in practice location. Dr. Ellis seconded the amended motion. After a roll call vote, the motion passed.

The Board agreed to move the next meeting date from June 16, 2022, to June 9, 2022, at 8:00 AM.

ADJOURN

There being no further business, the meeting was adjourned by general consent at 10:45 AM on 4/21/2022.

The next Board of Pharmacy meeting will be on June 9, 2022.
