Rule 300 states:

03. Return to Active Status of License Inactive for Five (5) or Fewer Years. An inactive license holder whose license has been inactive for five (5) or fewer years may convert from inactive to active license status by:

- a. Making written application to the Board on a form prescribed by the Board;
- b. Providing documentation to the Board showing successful completion within the previous twelve (12) months of the continuing education requirements for renewal of an active license; and
- c. Paying a fee equivalent to the difference between the current inactive fee and the active renewal fee.

04. Return to Active Status of License Inactive for More Than Five (5) Years. An inactive license holder whose license has been inactive for more than five (5) years may convert from inactive to active license status by:

- a. Making written application to the Board on a form prescribed by the Board.
- b. Providing an account to the Board for that period of time during which the license was inactive and fulfilling requirements that demonstrate competency to resume practice. Those requirements may include, but are not limited to, education, supervised practice and examination as determined by the Board. The Board may consider practice in another jurisdiction in determining competency.
- c. Paying a fee equivalent to the difference between the current inactive fee and the active renewal fee.
