24.06.01 – RULES FOR THE LICENSURE OF OCCUPATIONAL THERAPISTS AND OCCUPATIONAL THERAPY ASSISTANTS

These rules are promulgated pursuant to Sections 54-3712, 54-3715, 54-3717(2), and 54-3720, Idaho Code. (

LEGAL AUTHORITY.

010. DEFINITIONS. — 01. Client Related Tasks. Client related tasks are routine tasks during which the aide may interact with the client but does not act as a primary-service provider of occupational therapy services. — 02. Direct Line of Sight Supervision. Direct line of sight supervision requires the supervisor's physical presence when services are being provided to clients by the individual under supervision. — 03. Direct Supervision. Direct supervision requires daily, in person contact by the supervisor at the site where services are provided to clients by the individual under supervision. — 04. Evaluation. Evaluation is the process of obtaining and interpreting data necessary for treatment, which includes, but is not limited to, planning for and documenting the review, specific observation, interviewing, and administering data collection procedures, which include, but are not limited to, the use of standardized tests, performance checklists, and activities and tasks designed to evaluate specific performance abilities. — 05. General Supervision. General Supervision requires in person or synchronous interaction at least once per month by an occupational therapist and contact by other means as needed. Other means of contact include, but are not limited to, electronic communications such as email. — 06. Routine Supervision. Routine Supervision requires in person or synchronous interaction at least once every two (2) weeks by an occupational therapist and contact by other means as needed. Other means of contact include, but are not limited to, electronic communications such as email. — 01. SUPERVISION. An occupational therapist shall supervise and be responsible for the patient care given by occupational therapy assistants, limited permit holders, aides, and students. An occupational therapist's or occupational therapy assistant must be supervised by an occupational therapist at least once per month by no less than telecommunications. General Supervision must be provided at a minimum. 01. Occupational T	002 009.	(RESERVED)			
the client but does not act as a primary service provider of occupational therapy services. 1.	010. DEI	INITIONS.			/
O2. Direct Line of Sight Supervision. Direct line of sight supervision requires the supervisor's physical presence when services are being provided to clients by the individual under supervision. O3. Direct Supervision. Direct supervision requires daily, in person contact by the supervisor at the site where services are provided to clients by the individual under supervision. O4. Evaluation. Evaluation is the process of obtaining and interpreting data necessary for treatment, which includes, but is not limited to, planning for and documenting the review, specific observation, interviewing, and administering data collection procedures, which include, but are not limited to, the use of standardized tests, performance checklists, and activities and tasks designed to evaluate specific performance abilities. O5. General Supervision. General Supervision requires in person or synchronous interaction at least once per month by an occupational therapist and contact by other means as needed. Other means of contact include, but are not limited to, electronic communications such as email. O6. Routine Supervision. Routine Supervision requires in person or synchronous interaction at least once every two (2) weeks by an occupational therapist and contact by other means as needed. Other means of contact include, but are not limited to, electronic communications such as email. O11. SUPERVISION. An occupational therapist shall supervise and be responsible for the patient care given by occupational therapy assistants, limited permit holders, aides, and students. An occupational therapist's or occupational therapy assistant's failure to provide appropriate supervision in accordance with these rules is grounds for discipline. O1. Occupational Therapy Assistants. Occupational therapy assistants must be supervised by an occupational therapist, at least once per month by no less than telecommunications. General Supervision must be provided at a minimum.	01.	Client-Related Tasks. Client-related tasks are routine tasks during which the aide may inter	ract wi	ith	/
physical presence when services are being provided to clients by the individual under supervision. (3) Direct Supervision. 020. GEN	ERAL QUALIFICATIONS FOR LICENSURE.

Commented [KS12]: Recommend striking to come in alignment with other HP Boards. HIPPA covers this.

Commented [KS13]: Duplicative of IC 54-3713. SUSPEN-SION AND REVOCATION OF LICENSE -- REFUSAL TO RENEW. (1) Subject to the provisions of chapter 52, title 67, Idaho Code, the board may deny a license or refuse to renew a license, or may suspend or revoke a license or may impose probationary conditions or disciplinary actions set out in section 54-3720, Idaho Code, if the licensee or applicant for license has been found guilty of unprofessional conduct as set forth in section 54-3718, Idaho Code, which has endangered or is likely to endanger the health, welfare, or safety of the public.

Commented [MC14]: Reworked from Student Supervision

Commented [KS15]: Duplicative of IC 54-3708. EXAMINATION FOR LICENSURE OF OCCUPATIONAL THERAPISTS AND OCCUPATIONAL THERAPISTS AND OCCUPATIONAL THERAPY ASSISTANTS. (1) Each applicant for licensure shall be examined by written examination to test the person's knowledge of the basic and clinical sciences relating to occupational therapy, occupational therapy techniques and methods, and such other subjects as the licensure board may require in rule to determine the applicant's fitness to practice. The written examination shall be the examination established and conducted by the national board for certification in occupational therapy and the passing score shall be the passing score established by the national board for certification in occupational therapy or its successor organization as established in rule.

Commented [KS16]: Applications expire after 1 year therefore this rule is not needed.

54-3708(2) An application upon which the applicant takes no further action will be held for no longer than one (1)

01. Applicant. The Board may refuse licensure if it finds the applicant has engaged in conduct prohibited by Section 54-3718, Idaho Code; provided, the Board shall take into consideration the rehabilitation of the applicant and other mitigating circumstances.

012. Approved Education. Each applicant shall provide evidence of successful completion of the academic requirements of a An educational program in occupational therapy that is accredited by the American Occupational Therapy Association's Accreditation Council for Occupational Therapy Education (ACOTE), or by a predecessor or successor organization recognized by the United States Secretary of Education, the Council for Higher Education Accreditation, or both.

O2. Supervised Fieldwork. During the period of supervised fieldwork, students must be under daily inperson contact with an occupational therapist or occupational therapy assistant who is appropriately supervised by an occupational therapist. The occupational therapist is responsible for the overall use and actions of the student.

03. Examination. Each applicant shall either pass an examination required by the Board or shall be

entitled to apply for licensure by endorsement or limited permit.

a. The written examination shall be the examination conducted by the National Board for Certification in Occupational Therapy, Inc. (NBCOT) and the passing score shall be the passing score established by the NBCOT.

______04. Examination An applicant for licensure by examination who fails to pass the examination on two (2) attempts must submit a new application.

021. APPLICATION FOR LICENSURE.

01. Licensure by Endorsement. An applicant may be eligible for licensure without examination if they he or she meets all of the other qualifications prescribed in Section 54-3709, Idaho Code, and also holds a current valid license or registration from some other state, territory or district of the United States, or certified by the National Board for Certification in Occupational Therapy providing they meet Idaho standards and are equivalent to the
