Zero-Based Regulation: Ms. Lawler restated the purpose of Zero-Based Regulation. The Board reviewed suggested updates designed to eliminate duplicative or outdated requirements, remove unnecessary barriers, and increase the ease of readability in its administrative rules. Ms. Lawler reminded the Board that the decisions made today are not final and that there will be additional opportunities to further discuss these changes at future Board meetings. Unless otherwise stated, the Board agreed to all suggestions presented.

The Board did not receive comments during an informal listening session on May 15th.

Rule 300 – Qualifications for All Licensees or Certificates for Individuals: This was deleted as duplicative of Idaho Code § 54-5810. The requirements will be added to the application.

Rule 800.02 – Use of Skin Cutting Instruments: The Board removed the word “microplane” to eliminate confusion for esthetics and removed the phrase “designed to remove corns or calluses by cutting” for lack of clarity.

Rule 800.05 – Double Dipping: The Board reworded this by adding “or a person’s body part” and “powder” for clarity.

Adjourn

There being no further business, the meeting was adjourned at 10:24 PM MST.

The next meeting is on 06/12/2023.
