<input type="checkbox"/>	<input type="checkbox"/>	Other

3. Attach an additional sheet: **(Please indicate which question your explanation is referring to on the attached sheet.)**
- a. Indicating the river, river section, lake, reservoir or adjoining river sections with put in and take outs listed. (Please refer to OG-5 for river sections)
  - b. Explaining your target client number for each activity and how you intend to accommodate them in this area of operation.
  - c. Explaining the location and the proposed use: permanent facilities such as lodges, cabins, bunkhouses, etc., that you're planning to use for the accommodation of your clients, indicate whether each is on public or private land. Reference their location on the attached operating area map.
  - d. Listing the number of licensed guides and unlicensed personnel such as cooks, camp help and etc., that you intend use in the provision of services to your clients in this area.
  - e. Explaining the number and planned use of equipment: boats, vehicles, all terrain vehicles, tents, pack and equipment that will be used to provide services to your clients in this area. Please describe the power boats by weight capacity, passenger capacity, horse power, length and beam. Floats boats should include the type of boat, passenger capacity and length.
  - f. Explain your plan to assure the safety and provide for emergency medical care of clients in this operating area. Specifically describe first aid kits and related first aid equipment that will be available, communication systems and your emergency evacuation plan.
