

IDAPA 24 – DIVISION OF OCCUPATIONAL AND PROFESSIONAL LICENSES

IDAHO PUBLIC WORKS CONTRACTORS LICENSE BOARD

24.39.50 – Rules of the Public Works Contractors License Board

Who does this rule apply to?

This rule applies to those who hold a public works contractor or construction manager license issued by the Division and the Public Works Contractors License Board.

What is the purpose of this rule?

The rule prescribes the requirements and application process for licensing of public works contractors and construction managers to perform construction and management services on any public works project in Idaho. This includes all branches of public works contractors across all classes of licenser.

What is the legal authority for the agency to promulgate this rule?

This rule implements the following statutes passed by the Idaho Legislature:

Professions, Vocations, and Businesses -

- [Title 54, Chapter 19, Idaho Code](#) – Public Works Contractors
- [Title 54, Chapter 45, Idaho Code](#) – Public Works Construction Management Act
- [54-1907, Idaho Code](#) –Duties and Powers of the Board

Who do I contact for more information on this rule?

24.39.50 – RULES OF THE PUBLIC WORKS CONTRACTORS LICENSE BOARD

00. LEGAL AUTHORITY.

This chapter is adopted pursuant to Sections 54-1907, 67-2604, 67-2614, 67-9409, 67-9406, Idaho Code, as amended.

01. TITLE.

These rules govern the practice of public works contractors in Idaho. (3-31-22)T

02. -- 009. (RESERVED)

10. DEFINITIONS.

(3-31-22)T

~~01. **Applicant.** Any person who has filed an application with the administrator. (3-31-22)T~~

02. Compiled. A type of financial statement in which the information presented is based solely upon representations by an organization's management. (3-31-22)T

03. Estimated Cost. The term "estimated cost" refers to the total aggregate amount of the value of all the separate or individual jobs, parts, components, or undertakings involved in the construction of a single project when combined and considered as a whole. (3-31-22)T

04. Financial Statement. A balance sheet and income statement prepared in accordance with generally accepted accounting principles. (3-31-22)T

05. Incidental Work. Work, the nature of which does not require any additional trade licenses and which may be carried out in conjunction with an activity for which the licensee is licensed, but is not intended to produce an amount of income over ten percent (10%) of the total bid amount. (3-31-22)T

06. Independent Audit Report. A report prepared by an independent certified public accountant presenting opinion on the fairness of the organization's financial statements and prepared in accordance with generally accepted auditing standards. (3-31-22)T

~~07. **Licensee.** Includes any individual proprietor, partnership, limited liability partnership, limited liability company, corporation, joint venture, or other business organization holding a current, unrevoked public works contractor license. (3-31-22)T~~

08. Qualified Individual. The person qualifying by examination as to the experience and knowledge required by Section 54-1910(a), Idaho Code. (3-31-22)T

09. Reviewed. A financial statement that is accompanied by the opinion of a certified public accountant stating that, based upon representations by the organization's management, the reviewer has a reasonable basis for expressing limited assurance that there are no material modifications that should be made to the financial statements in order for the statements to be in accordance with generally accepted accounting principles. (3-31-22)T

10. -- 101. (RESERVED)

~~All communications are deemed officially received only when delivered to the office of the administrator. (3-31-22)T~~

a. P (3-31-22)T

a. (3-31-22)T

100. LICENSURE

1. FILING DEADLINES; PETITIONS FOR EXTENSION OF TIME TO FILE; LAPSED LICENSES.

a. Filing Deadline. Applications for renewal of a license must be filed by the last working day of the month in which the license expires. (3-31-22)T

b. Extension of Time. A petition for an extension of time in which to renew must be filed by the last working day of the month in which the license expires and may be extended for a period not to exceed sixty (60) days.. Approval of a petition for an extension of time authorizes operation as a contractor. (3-31-22)T

(3-31-22)T

(3-31-22)T

e Failure to File. If the licensee fails to file a timely application for renewal or petition for extension, the license lapses and expires on the last day of the license period. Licenses not renewed in a timely manner are considered delinquent for a period of one (1) year from the last day of the license period and may be renewed at any time during that year. ~~and the applicant for reinstatement must apply as if for a new license.~~ (3-31-22)T

f. Expedited Licensure. Upon an applicant’s request and payment of a fee of one hundred dollars (\$100), the Division will expedite its review and determination of a license application. (3-31-22)T

2. SPECIAL PROVISIONS COVERED IN A PETITION TO CHANGE OR ADD TYPES OF CONSTRUCTION.

A petition to change or add types of construction must be supported by evidence of work history, job performance, experience, equipment, and financial responsibility. (3-31-22)T

103. -- 108. (RESERVED)

~~**109. — NOTICE.**~~

~~In any contested case or other matter of Board business, written notification, mailed to the licensee or the applicant at the most current address on record with the Board, constitutes sufficient notification for all purposes within Title 54, Chapter 19, Idaho Code, and these rules.~~ (3-31-22)T

3. APPLICATION FOR LICENSURE -- DOCUMENTATION; APPRAISALS; REFERENCES; BONDING; AND FINANCIAL STATEMENTS.

a. Application Documentation. To obtain a license, the applicant must submit to the administrator, on such forms and in a format as the administrator prescribes in accordance with Section 54-1910, Idaho Code. ~~, including electronically, accompanied by the required fee for the class of license applied for, a complete written application for such license. All of the information submitted by the applicant must specifically pertain to work that is similar in scope and value to that for which licensure is being requested or that is being requested in a petition to change or add types of construction. The information contained in such application forms must include:~~ (3-31-22)T

~~a. A complete statement of the general nature of applicant's contracting business, including a concise description of the applicant's experience and qualifications as a contractor and a list of clients for whom work has been performed;~~ (3-31-22)T

~~b. A description of the value and character of contract work completed and for whom performed during the three (3) year period prior to filing the application;~~ (3-31-22)T

~~c. A general description of applicant's machinery and equipment; and (3-31-22)Tb. indicating compliance with such financial requirements as the Board may prescribe by ru (3-31-22)T (3-31-22)T~~

e For Class A, AA, AAA, and Unlimited license applications, financial statements must be accompanied by an independent auditor's report or be reviewed. For Class B and CC license applications, financial statements must be accompanied by an independent audit report or be reviewed or compiled by a certified public accountant. For Class C and Class D license applications, financial statements must be accompanied by an independent audit report or be reviewed, compiled, or on the form provided by the administrator, and include such additional information as may be required by the administrator to determine the applicant's fitness for a license.

(3-31-22)T

(3-31-22)T

g. Applicants requesting a licensing class higher than that for which the applicant is currently licensed must provide documentation, of having performed projects, similar in scope and character to those for which license is requested. Licenses granted under this rule are valid for a period of twelve months from the date of issuance. (3-31-22)T

4. (3-31-22)T

a. Extension of Time to File Financial Statement. The administrator may grant an extension of time to file the annual financial statement if the licensee provides an interim compiled balance sheet and income statement for the applicant’s fiscal year-to-date..Such renewal application must be filed prior to the first day of such renewal licensing period and is valid for a period of twelve (12) months from the date of the issuance.. (3-31-22)T

(3-31-22)T

(3-31-22)T

5. FINANCIAL REQUIREMENTS.

~~The financial requirements for obtaining and maintaining a heavy, highway, building, and specialty construction license under this act must be as follows:~~

TABLE 111.01 – FINANCIAL REQUIREMENTS		
LICENSE CLASS	NET WORTH	WORKING CAPITAL
Unlimited	\$1,000,000	\$600,000
AAA	\$1,200,000	\$400,000
AA	900,000	3000,000
A	\$600,000	\$200,000
B	3000,000	\$100,000
CC	\$150,000	\$50,000
C	\$50,000	\$15,000
D	\$20,000	\$6,000

(3-31-22)T

6. EXAMINATION.

The Board approves all subject areas and topics to be included in the public works contractor license examination. Applicants for licensure must pass an examination as approved by the Board.

(3-31-22)T

~~**a. Frequency of Conducting of Examinations.** (3-31-22)T~~

~~**d.** Examinations for all classes of licenses under the Public Contractors laws and rules will be given a minimum of four (4) times each year in the Division’s three (3) office locations. (3-31-22)T~~

~~**e.** The applicant will be notified in writing of the date, time, and location at which the examinations will be given, following approval of the application. (3-31-22)T~~

a. Professional Testing Services. In lieu of the administration by the administrator of the examination for licenses, the administrator may contract with a professional testing service to administer the examination.

(3-31-22)T

~~i. Class D applicants will utilize the existing in-house, open book examination. (3-31-22)T~~

~~ii. Class D licensees pursuing an upgrade must reapply and pass the examination administered by the professional testing service. (3-31-~~

~~22)Required Score. The applicant must receive a passing score. prior to issuance of the appropriate license. An applicant with less than a passing score on a first or second examination may be reexamined without reapplication. After failing the examination the third time, the applicant must wait sixty (60) days and resubmit the application and fee. (3-31-22)T~~

c (3-31-22)Ts (3-31-226.

INDIVIDUAL QUALIFIED BY EXAMINATION.

a. Written notice that the Qualified Individual of a public works contractor has ceased to be connected with the contractor must be provided to the Administrator. The contractor's license will remain in force for ninety (90) days from the date of the notice.

(3-31-22)T

~~b. Reasonable Length of Time. If a public works contractor notifies the Administrator that the contractor's Qualified Individual has ceased to be connected with the contractor, the contractor's license will remain in force for ninety (90) days from the date of the notice. (3-31-22)T~~

110. -- 198. (RESERVED)

199. 7. LIMITATIONS.

a. **One License.** A licensee may hold only one (1) class of license.. (3-31-22)T

b. **Previous License Null and Void.** When a licensee of one class has been issued a license of another class, the previous license is null and void. (3-31-22)T

c. **Total Bid Cost.** The total of any single bid on a given public works project, or the aggregate total of any split bids, or the aggregate total of any base bid and any alternate bid items, or the aggregate total of any separate bid by a licensee of any class, except Class Unlimited, may not exceed the estimated cost or bid limit of the class of license held by the licensee. The aggregate total of bids must include all bids of the subcontractors. Subcontractor bids are not considered a separate bid for the purposes of computing the bid on a given public works project. (3-31-22)T

d. **Two or More Licensees.** Two (2) or more licensees of the same class or of different classes are not permitted to combine the estimated cost or bid limit of their licenses to submit a bid in excess of the license held by either licensee. (3-31-22)T

E

(3-31-22)T

~~Categories and their definitions are: (3-31-22)T~~

~~**01. — 01107 Engineering.** A specialty contractor whose primary business includes providing engineering and design services such as civil, electrical, mechanical, and structural. (3-31-22)T~~

~~**02. — 01541 Scaffolding and Shoring.** A specialty contractor whose primary business is the installation of any temporary elevated platform and its supporting structure used for supporting workmen or materials or both, and props or posts of timber or other material in compression used for the temporary support of excavations, formwork or unsafe structures; the process of erecting shoring. (3-31-22)T~~

~~**03. — 01542 Craning and Erection.** A specialty contractor whose primary business includes the art, ability and skill to safely control the workings of a crane in such a manner that building materials, supplies, equipment and structural work can be raised and set in a final position. (3-31-22)T~~

~~**04. — 01550 Construction Zone Traffic Control.** A specialty contractor whose primary business is the installation or removal of temporary lane closures, flagging or traffic diversions, utilizing pilot cars, portable devices such as cones, delineators, barricades, sign stands, flashing beacons, flashing arrow trailers, and changeable message signs on roadways, public streets and highways or public conveyances. (3-31-22)T~~

~~**05. — 01570 Temporary Erosion and Sediment Controls.** A specialty contractor whose primary business includes the ability and expertise to install silt fencing or other similar devices to prevent erosion and contain silt. (3-31-22)T~~

~~**06. — 02110 Excavation, Removal and Handling of Hazardous Material.** A specialty contractor whose primary business includes the excavation and removal of toxic and hazardous site materials. Contractors must be properly licensed and certified if required. (3-31-22)T~~

~~**07. — 02115 Removal of Underground Storage Tanks.** A specialty contractor whose primary business includes, but is not limited to, the excavation, removal, cleanup, and disposal of underground storage tanks that have contained petrochemical type fuels. This work should include the sampling and testing of surrounding materials and filing of closure documents. (3-31-22)T~~

~~**08. — 02195 Environmental Remediation, Restoration and Soil Stabilization.** A specialty contractor whose primary business is the remediation and restoration of contaminated environmental sites. (3-31-22)T~~

~~**09. — 02210 Drilling.** A specialty contractor whose primary business includes practical elementary knowledge of geology and hydrology; the art, ability, knowledge, science and expertise to bore, drill, excavate, case, pack or cement by use of standard practices, including the use of diamond bits, cable tools, percussive, air percussive, rotary, air rotary, reverse circulation rotary methods or jetting. (3-31-22)T~~

~~**10. — 02220 Demolition.** A specialty contractor whose primary business includes the ability and expertise to demolish all types of buildings or structures and to remove all of such buildings or structures from the premises, and maintain the premises surrounding demolition site safely for passing public. (3-31-22)T~~

~~**11. — 02230 Site Clearing.** A specialty contractor whose primary business includes the ability and expertise to remove and dispose of all trees, brush, shrubs, logs, windfalls, stumps, roots, debris and other obstacles in preparation for excavation of a construction site or other uses. (3-31-22)T~~

~~**12. — 02231 Logging.** A specialty contractor whose primary business and expertise includes the clearing, cutting, removal and transportation of logs and trees and the construction of temporary roads and structures for such operations along with any reclamation work associated with such operations. (3-31-22)T~~

- ~~13. — 02232 Tree Removal and Trimming. A specialty contractor whose primary business includes pruning, removal, or guying of trees, limbs, stumps, and bushes including grinding and removal of such items. (3-31-22)T~~
- ~~14. — 02240 Dewatering and Subsurface Drainage. A specialty contractor whose primary business is to control the level and flow of subsurface water. (3-31-22)T~~
- ~~15. — 02260 Earth Retention Systems, Mechanical Stabilized Earth Walls and Retaining Walls. A specialty contractor whose primary business includes the building of earth retention systems, mechanical stabilized earth walls and retaining walls. (3-31-22)T~~
- ~~16. — 02265 Slurry Walls. A specialty contractor whose primary business is the construction of below ground structural diaphragm walls or containment walls through the combined use of trench excavation, mud slurry and tremie concrete. (3-31-22)T~~
- ~~17. — 02270 Rockfall Mitigation and High Sealing. A specialty contractor whose primary business is rockfall mitigation and high sealing. (3-31-22)T~~
- ~~18. — 02310 Excavation and Grading. A specialty contractor whose primary business includes such work as digging, moving and placing material forming the surface of the earth in such manner that a cut, fill, excavation and any similar excavating operation can be done with the use of hand and power tools and machines that are used to dig, move and place that material forming the earth's surface. (3-31-22)T~~
- ~~19. — 02312 Dust Control, Dust Abatement and Dust Oiling. A specialty contractor whose primary business is dust control, dust abatement and dust oiling. (3-31-22)T~~
- ~~20. — 02317 Rock Trenching. A specialty contractor whose primary business is rock trenching. (3-31-22)T~~
- ~~21. — 02318 Hauling. A specialty contractor whose primary business includes the ability and expertise to obtain or move specified materials by transportation in a vehicle. (3-31-22)T~~
- ~~22. — 02319 Blasting. A specialty contractor whose primary business includes the use of conventional and high explosives for pre-splitting, surface, underground and underwater blasting, drill, trench, or excavate for use of explosives; priming and loading drilled, trenched or excavated areas by pipe tamping, pneumatic loading, injector loading, mud capping, slurry loading, combination of pneumatic and injector loading or hand loading; use of volt, ohms and milliamper meter (VOM) in testing blasting machine output voltage, power line voltage, measuring electric blasting cap or blasting circuit resistance, testing for current leakage, testing for AC DC stray current and voltage, leading wires for open or short circuits, rack bar blasting machine for running short or galvanometer output voltage; use of blasting caps, electric blasting caps, delay electric blasting caps, primacord and all other detonating devices. (3-31-22)T~~
- ~~23. — 02325 Dredging. A specialty contractor whose primary business includes the excavation or removal of earth, rock, silt, or sediment from bodies of water including but not limited to streams, lakes, rivers or bays by means of specialized equipment. (3-31-22)T~~
- ~~24. — 02404 Horizontal and Directional Earth Boring, Trenching and Tunneling. A specialty contractor whose primary business and expertise includes boring, trenching or tunneling. (3-31-22)T~~
- ~~25. — 02450 Drilled Piers, Pile Driving, Caisson Drilling, Geopier and Helical Piers. A specialty contractor whose primary business includes drilling piers, pile driving, caisson drilling, Geopier and helical piers. (3-31-22)T~~
- ~~26. — 02500 Utilities. A specialty contractor whose primary business includes the construction and installation of pipe lines for the transmission of sewage, gas and water, including minor facilities incidental thereto; installation of electrical poles, towers, arms, transformers, fixtures, conduits, conductors, switch gear, grounding devices, panels, appliances and apparatus installed outside of buildings; including excavating, trenching, grading,~~

~~back fill, asphalt patching as well as all necessary work and installation of appurtenances in connection therewith.~~

~~(3-31-22)F~~

~~27. — **02520 Well Drilling.** A specialty contractor whose primary business includes the practical elementary knowledge of geology, hydrology, the occurrence of water in the ground, water levels in wells, the prevention of surface and sub-surface contamination and pollution of the ground water supply; and the art, ability, experience, knowledge, science, and expertise to bore, drill, excavate, case, screen, cement, clean and repair water wells; or to do any or any combination of any or all such boring, drilling, excavating, casing, cementing, cleaning and repairing with hand or power tools or rigs, including the installation and repair of pumps.~~ (3-31-22)F

~~28. — **02580 Installation of Communication Towers.** A specialty contractor whose primary business and expertise is the installation of communication towers.~~ (3-31-22)F

~~29. — **02660 Membrane Liners for Ponds and Reservoirs.** A specialty contractor whose primary business includes the installation of liners for the purpose of containment of liquids.~~ (3-31-22)F

~~30. — **02720 Crushing.** A specialty contractor whose primary business includes the ability and expertise to reduce rocks and aggregates to a smaller and uniform size and gradation to meet an agreed specification.~~

~~(3-31-22)F~~

~~31. — **02740 Asphalt Paving.** A specialty contractor whose primary business includes the installation of aggregate base course, cement treated base, bitumen treated base, asphalt concrete and the application of asphalt surfacing and surface repairs of streets, intersections, driveways, parking lots, tennis courts, running tracks, play areas; including the application or installation of primer coat, asphalt binder course, tack coating, seal coating and chips, slurry seal and chips, flush or flog coats, asphalt curbs, concrete bumper curbs, redwood headers, asphalt surface binder emulsion, asbestos and sand and acrylic color systems. (Synthetic and athletic surfacing are category 02790 Athletic and Recreational Surfaces.) Also includes crack sealing, asphalt maintenance repair and soil pulverization.~~ (3-31-22)F

~~32. — **02761 Traffic Marking and Striping.** A specialty contractor whose primary business includes the art, ability and expertise to apply markings to streets, roadways, or parking surfaces pre designed for the use of parking or passage of vehicles by the application of directional lines, buttons, markers, and signs made of but not limited to plastic, paint, epoxies and rubber, in such manner as to provide for the channeling and controlling of the traffic flow. Also includes temporary striping.~~ (3-31-22)F

~~33. — **02785 Asphalt Maintenance and Repair, Seal Coating, Crack Sealing and Chip Sealing.** A specialty contractor whose primary business is asphalt maintenance and repair, seal coating, crack sealing and chip sealing.~~ (3-31-22)F

~~34. — **02790 Athletic and Recreational Surfaces.** A specialty contractor whose primary business is the installation of specialty surfaces including but not limited to non wood athletic floors, tennis courts, running tracks and artificial turf. This would include any subsurface preparation such as leveling, excavation, fill and compaction or grading. The application of surfacing, mixing, spreading or placing of emulsions, binders, sand and acrylic color systems is also included along with the installation of modular, plastic athletic floors such as “Sport Court” type floors. This category does not include any type of structure required for the installation of these surfaces.~~ (3-31-22)F

~~35. — **02810 Sprinkler and Irrigation Systems.** A specialty contractor whose primary business includes the installation of types and kinds of water distribution systems for complete artificial water or irrigation of gardens, lawns, shrubs, vines, bushes, trees and other vegetation, including the trenching, excavating and backfilling in connection therewith. (Low voltage only.)~~ (3-31-22)F

~~36. — **02820 Fencing.** A specialty contractor whose primary business includes the installation and repair of any type of fencing.~~ (3-31-22)F

~~37. — **02840 Guardrails and Safety Barriers.** A specialty contractor whose primary business includes the installation of guardrails and safety barriers (including cattle guards).~~ (3-31-22)F

~~38. — 02850 Bridges and Structures. A specialty contractor whose primary business includes the installation, alteration and repair of bridges and related structures, including culverts. (3-31-22)T~~

~~39. — 02855 Bridge Crossings and Box Culverts. A specialty contractor whose primary business is the installation or construction, or both, of any bridge or crossing structure shorter than twenty (20) feet measured on the centerline of the roadway or trail. (3-31-22)T~~

~~40. — 02880 Installation of School Playground Equipment. A specialty contractor whose primary business is the installation of school playground equipment. (3-31-22)T~~

~~41. — 02890 Traffic Signs and Signals. A specialty contractor whose primary business includes the art, ability, knowledge, experience, science and expertise to fabricate, install and erect signs, including electrical signs and including the wiring of such signs. A licensed electrician must perform all the electrical work. (3-31-22)T~~

~~42. — 02900 Landscaping, Seeding and Mulching. A specialty contractor whose primary business includes the preparation of plots of land for architectural, horticulture and provisions of decorative treatment and arrangement of gardens, lawns, shrubs, vines, bushes, trees and other decorative vegetation; construction of conservatories, hot and green houses, drainage and sprinkler systems, and ornamental pools, tanks, fountains, walls, fences and walks; arrange, fabricate and place garden furniture, statuary and monuments in connection therewith. (3-31-22)T~~

~~43. — 02910 Slope Stabilization, Hydroseeding, Hydromulching, Native Plant Revegetation for Erosion Control. A specialty contractor whose primary business is slope stabilization, including necessary fillage and plant bed preparation using hydroseeding, hydromulching and native plant revegetation for erosion control. (3-31-22)T~~

~~44. — 02935 Landscape Maintenance. A specialty contractor whose primary business and expertise includes the maintenance of existing lawns, gardens, and sprinkler systems. This would include mowing, weeding, fertilization, pest control and minor repair or relocation of sprinkler systems. (3-31-22)T~~

~~45. — 02937 Pest Control, Sterilization and Herbicide Applications. A specialty contractor whose primary business includes the mixing, transportation and application of fertilizers, pesticides, herbicides, and sterilization chemicals for the control of insects, pests and weeds. (3-31-22)T~~

~~46. — 02955 Pipeline Cleaning, Sealing, Lining and Bursting. A specialty contractor whose primary business and expertise includes cleaning, sealing, lining and bursting pipelines. (3-31-22)T~~

~~47. — 02965 Cold Milling, Rumble Strip Milling, Asphalt Reclaiming and Pavement Surface Grinding. A specialty contractor whose primary business includes cold milling, rumble strip milling, asphalt reclaiming and pavement surface grinding. (3-31-22)T~~

~~48. — 02990 Structural Moving. A specialty contractor whose primary business includes but is not limited to raising, lowering, cribbing, underpinning and moving of buildings or structures. This does not include the alterations, additions, repairs or rehabilitation of the retained portion of the structure. (3-31-22)T~~

~~49. — 03200 Concrete Reinforcing Rebar Installation. A specialty contractor whose primary business includes the ability and expertise to fabricate, place and tie steel mesh or steel reinforcing bars or rods of any profile, perimeter or cross-section that are or may be used to reinforce concrete. (3-31-22)T~~

~~50. — 03300 Concrete. A specialty contractor whose primary business includes the ability and expertise to process, proportion, batch and mix aggregates consisting of sand, gravel, crushed rock or other inert materials having clean uncoated grains of strong and durable minerals, cement and water or to do any part or any combination of any thereof, in such a manner that acceptable mass, pavement, flat and other cement and concrete work can be poured, placed, finished and installed, including the placing, forming and setting of screeds for pavement or flat work. Also includes concrete sidewalks, driveways, curbs and gutters. (3-31-22)T~~

~~51. — 03370 Specially Placed Concrete, Concrete Pumping and Shotcreting. A specialty contractor~~

~~whose primary business includes the ability and equipment necessary to deliver and install concrete, and similar materials to their final destination in buildings and structures. (3-31-22)T~~

~~**52. — 03380 Post Tensioned Concrete Structures or Structural Members.** A specialty contractor whose primary business is the post-tensioning of structural elements using sleeved tendons of high strength prestressing steel. (3-31-22)T~~

~~**53. — 03500 Gyperete.** A specialty contractor whose primary business includes the ability and expertise to mix and apply gypsum concrete. (3-31-22)T~~

~~**54. — 03600 Concrete Grouting.** A specialty contractor whose primary business includes the ability and the equipment necessary to place concrete grouts. Concrete grouts are thin, fluid, shrink resistant, mortar like materials used for filling joints and cavities and setting and anchoring items in masonry and concrete. (3-31-22)T~~

~~**55. — 03650 Pressure Grouting and Slab Jacking.** A specialty contractor whose primary business includes pressure foundation grouting and jacking and the injection of concrete or mortar into foundations for stabilization. (3-31-22)T~~

~~**56. — 03900 Concrete Demolition, Concrete Sawing and Cutting, Core Drilling, Joint Sealing and Hydrocutting.** A specialty contractor whose primary business includes concrete cutting, drilling, sawing, cracking, breaking, chipping or removal of concrete. This category also includes the caulking or sealing of joints or cracks caused by such operations. (3-31-22)T~~

~~**57. — 04000 Masonry.** A specialty contractor whose primary business includes the installation with or without the use of mortar or adhesives of brick, concrete block, adobe units, gypsum partition tile, pumice block or other lightweight and facsimile units and products common to the masonry industry. (3-31-22)T~~

~~**58. — 04900 Chemical Cleaning and Masonry Restoration.** A specialty contractor whose primary business includes the cleaning or restoration of masonry through the use of chemicals, pressure washing, sand blasting or other methods. (3-31-22)T~~

~~**59. — 05090 Welding.** A specialty contractor whose primary business causes metal to become permanently attached, joined and fabricated by the use of gases or electrical energy, developing sufficient heat to create molten metal, fusing the elements together. (3-31-22)T~~

~~**60. — 05100 Steel Fabrication, Erection and Installation.** A specialty contractor whose primary business includes the ability and expertise to fabricate, place and tie steel reinforcing bars, erect structural steel shapes and plates, of any profile, perimeter or cross section, that are or may be used to reinforce concrete or as structural members for buildings and structures, including riveting, welding and rigging only in connection therewith, in such a manner that steel reinforcing and structural work can be fabricated and erected. (3-31-22)T~~

~~**61. — 05700 Ornamental Metals.** A specialty contractor whose primary business includes the art, ability, experience, knowledge, science and expertise to assemble, case, cut, shape, stamp, forage, fabricate and install sheet, rolled and cast, brass, bronze, copper, cast iron, wrought iron, monel metal, stainless steel, and any other metal or any combination thereof, as have been or are now used in the building and construction industry for the architectural treatment and ornamental decoration of buildings and structures, in such a manner that, under an agreed specification, acceptable ornamental metal work can be executed, fabricated and installed; but does not include the work of a sheet metal contractor. (3-31-22)T~~

~~**62. — 05830 Bridge Expansion Joints and Repair.** A specialty contractor whose primary business and expertise is the repair of bridge expansion joints. (3-31-22)T~~

~~**63. — 06100 Carpentry, Framing and Remodeling.** A specialty contractor whose primary business includes the placing and erection of floor systems, walls, sheeting, siding, trusses, roof decking of either wood or light gauge metal framing. This contractor also installs finish items such as running trim, sashes, doors, casing, cabinets, cases and other pre-manufactured finished items. (3-31-22)T~~

~~64. — 06130 Log and Heavy Timber Construction. A specialty contractor whose primary business includes the ability and expertise to build and erect log or heavy timber structures. (3-31-22)T~~

~~65. — 06139 Docks Log and Wood Structures. A specialty contractor whose primary business includes the ability and expertise to construct log and wood structured docks. (3-31-22)T~~

~~66. — 06200 Finish Carpentry and Millwork. A specialty contractor whose primary business includes the art, ability, experience, knowledge, science and expertise to cut, surface, join, stick, glue and frame wood and wood products, in such a manner that, under an agreed specification, acceptable cabinet, case, sash, door, trim, nonbearing partition, and such other mill products as are by custom and usage accepted in the building and construction industry as millwork and fixtures, can be executed; including the placing, erecting, fabricating and finishing in buildings, structures and elsewhere of such millwork and fixtures or to do any part or any combination of any thereof. (3-31-22)T~~

~~67. — 07100 Waterproofing and Dampproofing. A specialty contractor whose primary business includes the ability and expertise to apply waterproofing membranes, coatings of rubber, latex, asphaltum, pitch, tar or other materials or any combination of these materials, to surfaces to prevent, hold, keep and stop water, air or steam from penetrating and passing such materials, thereby keeping moisture from gaining access to material or space beyond such waterproofing. (3-31-22)T~~

~~68. — 07200 Thermal Insulation. A specialty contractor whose primary business includes the installation of any insulating media in buildings and structures for the purpose of temperature control. (3-31-22)T~~

~~69. — 07240 Stucco and Exterior Insulation Finish Systems (EIFS). A specialty contractor whose primary business includes the ability and expertise to install Stucco and EIFS. (3-31-22)T~~

~~70. — 07400 Roofing and Siding. A specialty contractor whose primary business includes the ability and expertise to examine surfaces and to bring such surfaces to a condition where asphaltum, pitch, tar, felt, flax, shakes, shingles, roof tile, slate and any other material or materials or any combination thereof, that use and custom has established as usable for, or which material or materials are now used as, such waterproof, weatherproof or watertight seal for such membranes, roof and surfaces; but does not include a contractor whose sole contracting business is the installation of devices or stripping for the internal control of external weather conditions. (3-31-22)T~~

~~71. — 07450 Siding and Decking. A specialty contractor whose primary business includes the application or installation of exterior siding, decking or gutters including wood, wood products, vinyl, aluminum and metal to new or existing buildings and includes wooden decks and related handrails. (This category does not include the construction or installation of covers or enclosures of any kind.) (3-31-22)T~~

~~72. — 07700 Sheet Metal Flashings, Roof Specialties and Accessories. A specialty contractor whose primary business includes the art, ability, experience, knowledge, science and expertise to select, cut, shape, fabricate and install sheet metal such as cornices, flashings, gutters, leaders, rainwater down spouts, pans, etc., or to do any part or any combination thereof, in such a manner that sheet metal work can be executed, fabricated and installed. (3-31-22)T~~

~~73. — 07800 Sprayed on Fireproofing. A specialty contractor whose primary business includes the mixing, transportation, and installation of fire proofing materials for buildings and structures. (3-31-22)T~~

~~74. — 07920 Caulking and Joint Sealants. A specialty contractor whose primary business includes the ability and expertise for installation of elastomeric and rigid joint sealants, caulking compounds, and related accessories. (3-31-22)T~~

~~75. — 08100 Doors, Gates, Specialty Doors and Activating Devices. A specialty contractor whose primary business is the installation, modification or repair of residential, commercial or industrial doors and door hardware. This includes but is not necessarily limited to wood, metal clad or hollow metal, glass, automatic, revolving, folding and sliding doors, power activated gates, or movable sun shades/shutters. Card activated equipment and other access control devices and any low voltage electronic or manually operated door hardware devices are also a part of this category. (3-31-22)T~~

~~76. — 08500 Windows, Glass and Glazing. A specialty contractor whose primary business includes the art, ability, experience, knowledge and expertise to select, cut, assemble and install all makes and kinds of glass and glass work, and execute the glazing of frames, panels, sash and doors, in such a manner that under an agreed specification, acceptable glass work and glazing can be executed, fabricated and installed, and may include the fabrication or installation in any building or structure of frames, glazed in panels, sash or doors, upon or within which such frames, glazed in panels, sash or doors, such glass work or glazing has been or can be executed or installed.~~

~~(3-31-22)T~~

~~77. — 09110 Steel Stud Framing. A specialty contractor whose primary business includes the ability and expertise to build or assemble steel stud framing systems.~~

~~(3-31-22)T~~

~~78. — 09200 Lath and Plaster. A specialty contractor whose primary business includes the ability and expertise to prepare mixtures of sand, gypsum, plaster, quick-lime or hydrated lime and water or sand and cement and water or a combination of such other materials as create a permanent surface coating; including coloring for same and to apply such mixtures by use of a plaster's trowel, brush or spray gun to any surface which offers a mechanical key for the support of such mixture or to which such mixture will adhere by suction; and to apply wood or metal lath or any other materials which provide a key or suction base for the support of plaster coatings; including the light gauge metal shapes for the support of metal or other fire proof lath. Includes metal stud framing.~~

~~(3-31-22)T~~

~~79. — 09250 Drywall. A specialty contractor whose primary business includes the ability and expertise to install unfinished and prefinished gypsum board on wood and metal framing and on solid substates; gypsum and cementitious backing board for other finishes; accessories and trim; and joint taping and finishing.~~

~~(3-31-22)T~~

~~80. — 09300 Tile and Terrazzo. A specialty contractor whose primary business includes the ability and expertise to examine surfaces and bring such surfaces to a condition where acceptable work can be executed and fabricated thereon by the setting of chips or marble, stone, tile or other material in a pattern with the use of cement, and to grind or polish the same.~~

~~(3-31-22)T~~

~~81. — 09500 Acoustical Treatment. A specialty contractor whose primary business includes the installation, application, alteration and repair of all types of acoustical systems, to include acoustical ceilings, wall panels, sound control blocks and curtains, hangers, clips, inserts, nails, staples, related hardware and adhesive, lightweight framing systems and related accessories (electrical excluded), installation and repair of gypsum wall board, painting, accessories, taping and texturing.~~

~~(3-31-22)T~~

~~82. — 09600 Flooring. A specialty contractor whose primary business includes the ability and expertise to examine surfaces, specify and execute the preliminary and preparatory work necessary for the installation of flooring, wherever installed, including wood floors and flooring (including the selection, cutting, laying, finishing, repairing, scraping, sanding, filling, staining, shellacking and waxing) and all flooring of any nature either developed as or established through custom and usage as flooring.~~

~~(3-31-22)T~~

~~83. — 09680 Floor Covering and Carpeting. A specialty contractor whose primary business includes the installation, replacement and repair of floor covering materials, including laminates and including preparation of surface to be covered, using tools and accessories and industry accepted procedures of the craft.~~

~~(3-31-22)T~~

~~84. — 09900 Painting and Decorating. A specialty contractor whose primary business includes the ability and expertise to examine surfaces and execute the preliminary and preparatory work necessary to bring such surfaces to a condition where acceptable work can be executed thereon with the use of paints, varnishes, shellacs, stains, waxes, paper, oilcloth, fabrics, plastics and any other vehicles, mediums and materials that may be mixed, used and applied to the surface of buildings, and the appurtenances thereto, of every description in their natural condition or constructed of any material or materials whatsoever that can be painted or hung as are by custom and usage accepted in the building and construction industry as painting and decorating.~~

~~(3-31-22)T~~

~~85. — 09950 Sand Blasting. A specialty contractor whose primary business includes the ability and expertise to sand blast surfaces through the use of equipment designed to clean, grind, cut or decorate surfaces with a blast of sand or other abrasive applied to such surfaces with steam or compressed air.~~

~~(3-31-22)T~~

~~86. — 09960 Specialty Coatings. A specialty contractor whose primary business includes the surface preparation and installation of specialty coatings. (3-31-22)T~~

~~87. — 10150 Institutional Equipment. A specialty contractor whose primary business includes the installation, maintenance and repair of booths, shelves, laboratory equipment, food service equipment, toilet partitions, and such other equipment and materials as are by custom and usage accepted in the construction industry as institutional equipment. (3-31-22)T~~

~~88. — 10270 Raised Access Flooring. A specialty contractor whose primary business includes the installation of wood or metal framed elevated computer flooring systems. This does not include the structural floor on which the computer floor is supported or mezzanines. (3-31-22)T~~

~~89. — 10445 Non-Electrical Signs. A specialty contractor whose primary business includes the installation of all types of non-electrical signs, including but not limited to traffic delineators, mile post markers, post or pole supported signs, signs attached to structures, painted wall signs, and modifications to existing signs. (3-31-22)T~~

~~90. — 11001 Specialty Machinery and Equipment Installation and Servicing. A specialty contractor whose primary business is the installation, removal, modification or repair of pumps, water and waste water equipment, conveyors~~

200. COMPLAINTS.

~~Complaints alleging a violation of Title 54, Chapter 19, Idaho Code, or these rules must be in writing and filed with the administrator. All complaints must be verified and submitted on forms provided by the Board. (3-31-22)T~~

201. -- 299. (RESERVED)

300. BUSINESS ORGANIZATION -- CHANGES IN ORGANIZATION OR STRUCTURE -- MEMBERS OF JOINT VENTURES - CHANGES FOR REASONS OTHER THAN DEATH.

A licensed public works contractor or construction manager who undergoes a change in business organization or structure (such as a change from an individual proprietor to a partnership, corporation, limited liability partnership, limited liability company, joint venture, or other combination thereof), or where there is a change in ownership, must file an application for a new license on behalf of such successor organization or new owners within sixty (60) days after such change occurs. The administrator may authorize the continuous operation of the licensee as a contractor during the interim period until the application of the successor organization is reviewed; provided written notice of such change is filed within thirty (30) days after such change occurs. Each participant in a joint venture must be licensed at the time of bidding. Where there is a change in the surviving members of a licensed partnership, limited liability company, or limited liability partnership, due to a reason other than the death of one (1) of the partners, the remaining or succeeding member or members are required to file an application for an original license. (3-31-22)T

301. -- 399. (RESERVED)

400.

401. LICENSE NUMBER ON BIDS.

Licensee must place his license number on any and all bids submitted or contracts entered into, for any public works projects in the state of Idaho. (3-31-22)T

402. CHANGES IN LICENSE CERTIFICATE.

When any change in the license certificate has been approved by the Board, a new license certificate will be issued.

(3-31-22)T

403. -- 501. (RESERVED)

502. TECHNICALITIES OF FORM.

~~The administrator may, during any hearing or proceeding waive any technicalities of form not deemed necessary in the circumstances.~~ (3-31-22)T

503. HEARINGS.

~~The general procedure for hearings before the administrator and the Board is as prescribed in these rules and Title 67, Chapter 52, Idaho Code.~~ (3-31-22)T

01. ~~Notes.~~ ~~Any interested persons may request, in writing, five (5) days before any scheduled hearing in a contested case that the oral proceedings thereof be taken in the form of stenographic notes to be transcribed at his own expense.~~ (3-31-22)T

02. ~~Procedure.~~ ~~The Board reserves the right to amend, modify or repeal all or any part of the above procedure or to dispense with any part thereof, at any hearing before the Board, as it may deem necessary in the circumstances.~~ (3-31-22)T

504. -- 599. (RESERVED)

600. CONSTRUCTION MANAGER EXAMINATIONS.

If the applicant fails an examination, the applicant may take the examination a second time. If the applicant fails to score a passing grade, the applicant must pass all failed sections within one (1) year of the initial test date. If the applicant fails to achieve a passing grade in each individual section on the second examination, the applicant must wait one (1) full year before taking the examination again. The applicant must then take and pass all sections of the examination (receiving no credit for sections successfully completed during the previous year). (3-31-22)T
