Public Hearing Minutes of 10/16/2023

Division Nicki Chopski, PharmD, Executive Officer
Staff: Russell Spencer, General Counsel
Susan Villanueva, Board Support Specialist

The meeting was called to order at 9:00 AM by Dr. Chopski.

Dr. Chopski stated that board staff would accept testimony on the Board of Medicine rule chapter 24.33.01

Lisa Nelson from St. Alphonsus stated that there is concern the requirement for a supervising physician to be licensed as a physician in Idaho was removed.

Mr. Spencer stated that the physician still has to be licensed in Idaho but no longer needs registration to be a supervising physician. This requirement was removed to decrease unnecessary regulatory burden on licensees.

Once again, comments were invited on the draft rule chapter.

The comment period will be open until October 25, 2023, and written comments can be submitted to support.hp@dopl.idaho.gov.

The next Board meeting will be held on November 9, 2023.
Though there were public members in attendance, no further public testimony was given.

Adjourn

There being no further business, the meeting was adjourned at 9:30 AM.
