THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The State of Idaho has retained the services of Pearson VUE to develop and administer its real estate examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

IDAHO REAL ESTATE LICENSING REQUIREMENTS

The Idaho Real Estate Commission has established the requirements for a salesperson or broker license. Applicants should read this candidate handbook and any other information provided by the Idaho Real Estate Commission before applying for any licensing examination. A list of license application forms is included on the inside back cover of this handbook.

PRACTICE TESTS – GENERAL (NATIONAL) PORTION ONLY

General-portion practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on real estate examinations. The general-portion practice tests will not only help prepare candidates for the types of questions they will see on the general portion of the licensure examination but also familiarize them with taking computer-based examinations.

Pearson VUE offers a practice test for real estate that contains questions developed by subject matter experts using concepts found in the general portion of the licensure examination. The test closely reflects the format of the general portion of the licensure examination, can be scored instantly, and provides immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase general-portion practice tests anytime by visiting www.pearsonvue.com/practicetests/realestate.

RESERVATIONS

MAKING A RESERVATION

Walk-in examinations are not available. Online reservations are the most efficient way for candidates to schedule their examination. Candidates **must** go to www.pearsonvue.com/id/realestate/ to make an online reservation for an examination. First-time users are required to create an account. The candidate will need to fill in all required fields, which are preceded by an asterisk (*), on the online form in order to create an ID and be assigned a password. Step-by-step instructions will lead the candidate through the rest of the examination reservation process.

Candidates **must** make an online reservation at least twenty-four (24) hours before the desired examination date. Candidates who wish to make a phone reservation at (877) 540-5833 must do so at least twenty-four (24) hours before the desired examination date (unless an electronic check is used for payment, as detailed below).

Before making a reservation, candidates should have the following:

- Full legal name, address, Social Security number, daytime telephone number, and date of birth
- The name of the examination
- The preferred examination date and test center location (a list appears on the back cover of this handbook)

Candidates are responsible for knowing which examination they need to take.

The reservation will be made based on the next available examination date.

EXAM FEES

The exam fee is \$80. **Payment will not be accepted at the test center.** Examination fees are non-refundable and non-transferable except as detailed in the *Change/Cancel Policy*.

Electronic Checks

Candidates who choose to pay the examination fee by electronic check must have a personal checking account, and must be prepared to provide to Pearson VUE the following information at the time of reservation:

- Bank name
- Account number and routing number
- Social Security number, state ID number or driver's license number
- Name and address on the account

Using this information, Pearson VUE can request payment from the candidate's bank account just as if the candidate had submitted an actual paper check.

Candidates paying by electronic check must register at least five (5) days before the examination date in order for their check to be processed.

Vouchers

Vouchers offer another convenient way to pay for tests. Vouchers can be purchased online at www.pearsonvue.com/vouchers/pricelist by credit card either singly or in volume. To redeem a voucher as payment when scheduling a test, simply indicate voucher as the payment method and provide the voucher number. All vouchers are pre-paid. Vouchers are non-refundable and non-returnable.

Vouchers expire twelve (12) months from the date they are issued. Voucher expiration dates cannot be extended. The exam must be taken by the expiration date printed on the voucher.

CHANGE/CANCEL POLICY

Candidates should call (877) 540-5833 at least forty-eight (48) hours before the examination to change or cancel a reservation. Candidates who change or cancel a reservation with proper notice may either transfer their fees to a new reservation or request a refund. **Candidates who change or cancel their reservations without proper notice will forfeit the examination fee.** Refunds for credit/debit cards are immediate, while refunds for electronic checks and vouchers will be processed in two to three (2-3) weeks.

Candidates are individually liable for the full amount of the examination fee once a reservation has been made, whether paid individually or by a third party.

ABSENCE/LATENESS POLICY

Candidates who are late or absent from an exam may call Pearson VUE within 14 days of the exam date to request an excused absence for the following reasons:

- Illness of the candidate or of the candidate's immediate family member
- Death in their immediate family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty
- Weather emergency

A case number will be assigned and instructions provided for emailing supporting documentation. **Candidates absent from or late to an exam who have not changed or canceled the reservation according to the *Change/Cancel Policy* will not be admitted to the exam and will forfeit the exam fee.**

WEATHER DELAYS AND CANCELLATIONS

If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

NON-SATURDAY RESERVATIONS

Candidates who for religious reasons cannot take an examination offered only on Saturdays may request a non-Saturday examination date. Such a request must be put in writing on official stationery by the candidate's religious advisor and faxed to (610) 617-9397 or mailed to:

Pearson VUE Special Accommodations / 5715 W. Old Shakopee Rd., Bloomington, MN 55437

Non-Saturday examinations are available **only** on a prearranged basis.

PLEASE NOTE

Fingerprint results are valid for six (6) months only.

FINGERPRINT RESERVATIONS

To make a fingerprint reservation go to <https://pearsonwest.ibtfingerprint.com>, or call Identogo® by Idemia at (866) 761-8069. Pearson VUE offers electronic fingerprinting to all resident and non-resident candidates (whether or not they pass the examination) at the following test centers:

Boise, ID	Coeur d'Alene, ID	Pocatello, ID	Twin Falls, ID	Spokane, WA
-----------	-------------------	---------------	----------------	-------------

Digital fingerprints are transmitted electronically to law enforcement. These fingerprints are accurate, high quality, and in accordance with FBI and IAFIS requirements for live-scan imaging with a low rejection rate.

Candidates testing at any of the centers listed above must make an advance reservation with Identogo® by Idemia to have their fingerprints captured on the same date as their exam appointment. Reserve a fingerprint appointment online at <https://pearsonwest.ibtfingerprint.com> or by contacting Identogo® by Idemia at (866) 761-8069 Monday through Saturday, 9:00 a.m. until 6:00 p.m. (Mountain Time). Be sure to select the correct license type when making your fingerprint reservations to avoid delays in receiving your results.

You are strongly encouraged to have your fingerprints taken at one of the sites noted above. If you are unable to travel to one of these sites you will need to submit traditional (paper) fingerprints. Specific instructions for how to submit this type of fingerprints are being developed and will be available here soon.

Do not send fingerprint cards or the required fee to the Idaho Real Estate Commission.

EXAM DAY

WHAT TO BRING

Required Materials

All candidates are required to bring identification that is deemed acceptable, listed under *Acceptable Forms of Candidate Identification*, to the test center on the day of examination.

REQUIRED ITEMS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

Candidates requesting to waive the general (national) portion of the examination must obtain a waiver letter from the Idaho Real Estate Commission before making an appointment to take the exam. So that the waiver can be applied to the Candidate's Account, candidates must create an online account with Pearson VUE for Idaho Real Estate prior to making the exam appointment. Candidates are not required to bring the waiver letter to the test center. **Waivers cannot be issued retroactively.**

Acceptable Forms of Candidate Identification

Candidate must present **two (2)** forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government-issued and photo-bearing with a signature, and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (with photograph and signature, not expired)

- Government-issued Driver's license
- U.S. Dept. of State Driver's license
- U.S. learner's permit (plastic card only with photo and signature)
- National/State/Country Identification Card
- Passport
- Passport cards
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

Secondary ID (with signature, not expired)

- U.S. Social Security card
- Debit/(ATM) or Credit card
- Any form of ID on the Primary ID list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. (Candidates should allow themselves sufficient time to find the test center.) The candidate's identification and other documentation will be reviewed and they will be photographed for the score report.

Candidates are required to review and sign a *Candidate Rules Agreement* form. If the *Candidate Rules Agreement* is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination or denying licensure.

Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the computer. The examination begins the moment a candidate looks at the first examination question. Candidates will be given four (4) hours to complete the examination. The examination will end automatically after the examination time has expired, and candidates will leave the test center with their official scores in hand.

SCORE REPORTING

When candidates complete the examination, they will receive a score report marked "pass" or "fail."

Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the general portion of the examination, as well as information about reexamination.

RETAKE THE EXAM

The examination is divided into two sections: general (national) and state law. Candidates who pass one section of the exam and fail the other need to retake only the section they failed, as long as they pass the failed section within one (1) year of the date of the passed section. The exam fee is required each time a candidate tests. A candidate must pass both sections of the exam and submit a completed application for licensure within one (1) year of the date of the first passed exam section. Otherwise, the candidate must retake both sections of the exam.

Example: A candidate who takes the examination January 15, 2019, and passes the state section but not the general section needs to retake and pass only the general section, but must do so on or before January 14, 2020. If the candidate does not pass the general section and submit his license application on or before January 14, 2020, he/she would be required to retake the entire examination.

There is no limit to how many times a candidate may retake the examination. **Reservations for reexamination cannot be made at the test center, and candidates must wait twenty-four (24) hours before making one. The examination fee must be paid each time a candidate takes an exam, even if the candidate is retaking only one section.**

REVIEW OF EXAMS

For security reasons, examination material is not available to candidates for review.

SCORE EXPLANATION

Scaled Score

There are multiple versions, known as forms, of each of the real estate licensing examinations. While all of these forms are developed from the content outlines printed in this handbook, the levels of difficulty of the forms may vary slightly because different questions appear on different forms. Since it would be unfair to require a candidate taking a slightly more difficult form to answer as many questions correctly (in order to pass) as a person taking an easier form, a statistical procedure known as equating is used to correct for differences in form difficulty.

The passing score of an examination was set by the Idaho Real Estate Commission (in conjunction with Pearson VUE) after a comprehensive study was completed for each examination. The examination score is reported as a scaled score on a scale of 0-100. It should not be interpreted as the percentage or number of questions answered correctly on the examination. The passing point is reported as a score of 70 for the salesperson examination and 75 for the broker examination. With a passing score of 70 or 75, any score below 70 or 75 indicates how close the candidate came to passing, rather than the actual number or percentage of questions the candidates answered correctly.

DUPLICATE SCORE REPORTS

Candidates may request a duplicate score report by completing the appropriate form found in the back of this handbook.

TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens, or pencils.
- **Personal calculators are NOT permitted,** but an online calculator is available as part of the exam.
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen, or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family, or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room, and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- To request a break, the candidate **must** raise his/her hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless directed by the administrator.** If a candidate is discovered to have left the floor or building, he/she will not be permitted to proceed with the examination and will forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including, but not limited to, cellular phones, exam notes, and study guides.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.

PREPARING FOR THE EXAM

PRETEST QUESTIONS

Many of the examinations will contain “pretest” questions. Responses to pretest questions do not affect a candidate's score. Pretest questions are mixed in with the scored questions and are not identified.

These questions are used to gather statistical information for future exam development.

The number of pretest questions is listed in the content outline heading of each examination for which they are available. If a number is not present, then there are no pretest questions for that particular examination.

EXAM CONTENT

The content of the general (national) portion of the examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from real estate professionals were analyzed to determine the nature and scope of tasks they perform, and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written, ensuring that the examination reflects the actual practice of real estate. Questions in the general portion are also reviewed and approved by nationally recognized real estate professionals.

The state law portion of the examination has been developed to reflect the laws, regulations, and practice of real estate in Idaho, and it has been reviewed and approved by real estate professionals and the Idaho Real Estate Commission.

MATH CALCULATIONS

The information below is NOT available at the test center and should be memorized.

Candidates may use the following information in making mathematical calculations on the general section of the real estate examinations unless otherwise stated in the text of the question:

- 43,560 square feet/acre
- 5,280 feet/mile
- Round off calculations (where applicable) to the nearest whole number

The information below, if needed, will be contained within the test itself:

If a question requires the calculation of prorated amounts, the question will specify: a) whether the calculation should be made on the basis of 360 or 365 days a year; and b) whether the day of closing belongs to the buyer or seller

NOTE

The entire question pool for both the general and state law portions of the examinations, each form of the examination, and any materials used to administer the examination are copyrighted by and are the property of Pearson VUE.

Any distribution of examination material or other reproduction is strictly prohibited and punishable by law.

General Exam Content Outline for Salespersons and Brokers

Effective: June 01, 2020

The general portion of the real estate exam is made up of eighty (80) scored items, which are distributed as noted in the following content outline. The general examination also contains five (5) pretest items that are not counted toward the score. These items are used to gather statistics on performance and to help assess appropriateness for use on future examinations. Because pretest items look exactly like items that are scored, candidates should answer all the items on the examination.
