The meeting was called to order at 4:00 PM by Justin Messenger, PharmD.

The Board reviewed the draft rule changes, which include removing the requirement that only a pharmacist can verify a compounded drug. These changes came about due to a granted rule waiver for technician accuracy verification at the last Board meeting.

After discussion, a motion was made and seconded to adopt as proposed the draft rule chapter of the Idaho State Board of Pharmacy, IDAPA 24.36.01. The vote was: Dr. Ellis, aye; Dr. Jonas, aye; and Dr. Messenger, aye. The motion carried.

The proposed rule chapter will be published in the December administrative bulletin and a public hearing will be held on 12/14/2023 at 10 AM (MT). Written public comments regarding the chapter will be accepted at support.hp@dopl.idaho.gov.
