BOARD BUSINESS

2023 National Electrical Code (NEC) Significant Code Training: Tim McClintock, Regional Electrical Specialist, National Fire Protection Agency, provided training on the significant code changes in the 2023 NEC.

Review NASCLA Residential Electrician Exam: A handout of the National Association of State Contractors Licensing Agencies (NASCLA) exam questions, pertaining to residential electrical journeymen and residential electrical contractors, was provided to the Board and audience.

New Electrical License Applications: Licensing Program Manager Jessica Spoja reviewed the revised Electrical Journeyman Application Instructions and Electrical Journeyman License Application.

Fusing and Pole Bases: A question arose whether fusible connectors or equivalent should be the handhole and base of the pole OR handhole “underground” enclosure. This topic, and comments on the 2020 and 2017 National Electrical Code, will be discussed at the July 26, 2023 Electrical Board meeting.

ADJOURNMENT
