Minutes of 02/29/2024

Division Amy Lorenzo, Executive Officer
Staff: Zack Trujillo, Board Support Specialist

The Public Hearing, held in Boise, was called to order at 10:33 AM MT by Executive Officer Amy Lorenzo.

Based on Governor Brad Little's Executive Order 2020-1 *Zero-Based Regulation*, to repeal and replace rules, this is the first public hearing to gather comments to IDAPA 24.39.90 Rules of the Damage Prevention Board.

Executive Officer Lorenzo reviewed the proposed changes (red lines). The following individuals attended the hearing, in person or virtually, and provided suggestions and/or comments: Jerry Piper, Cambridge Telephone Company; Julie Maki, Dig Line, Inc.; Michelle Haskett, Avista Utilities; Terry Martin, city of Caldwell, Water Department; David Dickerson, Williams; Gary, unknown last name; and Jeannien DeWitt, DOPL.

There were questions and comments on the topic of Civil Penalties (020.). David Dickerson asked whether an exemption list would be made available for outreach, and if there has been any discussion on reporting violations to insurance underwriters. Mr. Dickerson believes this will raise awareness for 811. These comments will be presented to the Board at its next regularly scheduled meeting.

ADJOURNMENT

With no further comments, Executive Officer Lorenzo adjourned the hearing at 10:56 AM.
