

## 24.39.90 – RULES GOVERNING THE DAMAGE PREVENTION BOARD

### 000. LEGAL AUTHORITY.

These rules are promulgated pursuant to Sections 55-2203, [67-2604](#), [67-2614](#), [67-9409](#), and [67-9406](#) Idaho Code. (3-28-23)

### 001. SCOPE.

These rules are applicable to underground facilities, and facility owners as established in Title 55, Chapter 22, Idaho Code. (3-28-23)

### ~~002350~~. ADMINISTRATIVE APPEALS.

**01. Appeal Bond.** Upon notice of the imposition of training or a civil penalty, the notified party may contest the imposition of such before the Damage Prevention Board in accordance with Section 018 of these rules. An appeal bond in the amount of two hundred dollars (\$200) must accompany the request for hearing to contest the matter. In the case of training, the Division of Building Safety will refund the bond if the contesting party appears at the hearing. In the case of a civil penalty, the Division will refund any portion of the bond not used to satisfy the penalty imposed by the Board or the entire bond if the contesting party prevails at the hearing. (3-28-23)

### ~~002. — 006. — (RESERVED)~~

### ~~007. — FUNDING OF BOARD ACTIVITIES. 400. FEES.~~

Each owner of an underground facility must pay a fee of ten cents (\$.10) each time such owner receives notice from a one-number notification service as prescribed by Section 55-2205, Idaho Code. The fee assessed upon the underground facility owner is collected by the one-number notification service, and is payable to the board in accordance with the following schedule: (3-28-23)

**01. Fee Assessed.** The fee will be assessed on an underground facility owner for each notification issued by the one-number notification service to the underground facility owner, with the one-number notification service required to submit a summary of the number of notices issued in a given month to the board no later than fifteen (15) days following the end of the month in which the notices were issued. (3-28-23)

**02. Payment Submission.** The one-number notification service must submit payment to the board for all payments received from underground facility owners no later than seventy (70) days following the end of the month in which the notices were issued to the facility owners. In those cases where the payment from the underground facility owner is received after the seventy-day (70) period, the one-number service must include late payments in its next payment to the board. (3-28-23)

**03. Notices Issued.** The one-number notification service must also submit a detailed list of notices issued, including the facility owner's contact information, for which payment has not been received within the seventy (70) day period following the end of the month in which the notices were issued. Such list must be updated on a monthly basis to reflect the status of all past-due payments due from underground facility owners that have not been received. (3-28-23)

### ~~008. — AUDIT OF ONE NUMBER SERVICE RECORDS. 04. Audit of One-Number Service Records.~~

The Board has the right to review and audit the payment records of any one-number notification service relating to the collection of the fee imposed on underground facility owners. In the event the board wishes to conduct a review and/or audit of a one-number notification service, the board will provide no less than a five (5) business day advance notice of the intended action. The board may delegate any responsibilities contained herein this chapter to the Division of [Building Safety/Occupational and Professional Licenses](#). (3-28-23)

### ~~009. — 014. — (RESERVED)~~

### ~~015100~~. EDUCATIONAL AND TRAINING MATERIALS.

Formatted: Not All caps

**01. Approval of Training and Educational Programs.** The Board approves acceptable training courses or programs and educational materials on relevant underground facility damage prevention topics pertaining to safe excavation, locating and marking of facilities, determining facility damage, emergency procedures, excavator downtime, pre-marking of intended excavation areas, and appropriate procedures when encountering unmarked facilities. (3-28-23)

**02. Scope of Training and Educational Programs.** Such training programs and educational materials must relate to various aspects of underground facility damage prevention, and contain practices, information, and standards generally accepted and recognized among stakeholders in Idaho. (3-28-23)

**03. Accessibility of Training and Educational Programs.** The Division maintains and periodically updates a database of approved educational materials and training programs. (3-28-23)

**04. Purposes of Training and Educational Programs.** Such programs may be used for general educational use by stakeholders or for remedial training that may be ordered by the board or the administrator pursuant to Section 55-2211, Idaho Code. (3-28-23)

~~**016. ADEQUACY OF FACILITY OWNERS LOCATING UNDERGROUND FACILITIES.** The board reviews all stakeholder complaints of violations related to underground facility line locating, as well as generally accepted practices and procedures related to locating. Stakeholders must take remedial actions to improve line locating performance and monitor and report performance improvements to the board. (3-28-23)~~

~~**017. IMPROVEMENT OF TECHNOLOGY AND COMMUNICATIONS BY STAKEHOLDERS.**  
**01. Adoption of Technology and Communications Materials.** On an annual basis the board reviews and adopts any available technology and communications materials which promote effective underground facility locating. The board will make available any such appropriate technology and communications materials as it may determine to all stakeholders on the Division website. (3-28-23)~~

~~**02. Availability of Technology and Communications Materials.** The board may request that stakeholders provide it with information or data related to procedures, methods, or technologies utilized by such stakeholders to enhance communications among other stakeholders, or that enhances underground facility locating capabilities, or enhances the stakeholder's ability to gather and analyze data related to underground facility damage. The board will review such technologies, methods, or materials adopted by stakeholders to ensure that such use is adequate, as well as to provide stakeholders with best practices. The Division of Building Safety must maintain an approved database of such referenced stakeholder data for public viewing and analysis on its website. (3-28-23)~~

**018. DAMAGE PREVENTION COMPLAINTS.300. DISCIPLINE.**

**01. Complaint Forms.** Persons may submit written complaints to the administrator regarding an alleged violation of Title 55, Chapter 22, Idaho Code, on such forms as required by the Division. Notice of the complaint may be served concurrently on the alleged violator by the person submitting the complaint. Verifiable proof of such notification of a complaint provided to the alleged violator must also be provided to the administrator, [as outlined in the board-approved complaint form](#). (3-28-23)

~~**02. Contents.** Complaints must include the name and address of the complainant and the alleged violator, the date and location of the alleged violation, as well as a complete description of the nature of the violation alleged, including whether it resulted in damage to an underground facility or an excavator downtime event. Complainants may also provide additional documentation in support of a complaint. Complaints must be accompanied by a sworn declaration from the complainant declaring that the information contained therein is true and accurate. The administrator may request additional information or documents in support of the complaint. (3-28-23)~~

**0302. Complaint Procedures and Timelines.** The following timelines and procedure govern the

process of filing and administering complaints related to violations of Title 55, Chapter 22, Idaho Code, and the rules of the Board. (3-28-23)

**a.** Initial Filing. Complaints must be filed with the administrator not later than thirty (30) days from the date of the alleged violation giving rise to the complaint or from the date the violation should have reasonably been discovered by the complainant, whichever is later. (3-28-23)

**b.** Response. The administrator must notify the alleged violator of the complaint and request a response and any additional information from the alleged violator as may be necessary. The alleged violator may provide a response to the administrator within thirty (30) days from the date they are notified of the complaint by the administrator. (3-28-23)

**c.** Recommendation. Within thirty (30) days of receipt of the response, or if no response is received, within fifteen (15) days from the deadline for filing a response, the administrator must notify the complainant and the alleged violator of his recommended course of action. The administrator may extend the period of time in which to determine a recommended course of action, and so notify the parties, if he determines it is necessary to further review or investigate the complaint. (3-28-23)

**d.** Contest. The alleged violator has the right to contest the imposition of a civil penalty before the damage prevention board. Notice of such contest must be provided by the alleged violator not more than thirty (30) days after receipt of the administrator's recommended course of action. Recommendations of the administrator regarding complaints may be reviewed by the board at its next regularly scheduled meeting. (3-28-23)

**~~019.~~ — CLAIMS AND REPORTS OF DAMAGE OR EXCAVATOR DOWNTIME.**

~~**0103.** Claims.~~ Claims for the cost of repairs for damaged underground facilities are enforced by the affected underground facility owner in accordance with procedures as may be established by the facility owner, and in accordance with applicable law. Underground facility owners must provide notice to excavator contractors of such procedures, along with sufficient information supporting the basis for the amount of a claim within six (6) months from the date of the event giving rise to the claim or from the date the event should have reasonably been discovered by the underground facility owner, whichever is later. (3-28-23)

~~**02.** — Reports.~~ Underground facility owners and excavators who observe, suffer or cause damage to an underground facility or observe, suffer or cause excavator downtime related to a failure of one (1) or more stakeholders to comply with applicable damage prevention statutes or regulations must report such information to the board on forms or by such method adopted for such by the board. Forms are available at the Division offices and electronically on the Division's website. (3-28-23)
