BOARD BUSINESS

Approval of Temporary Administrative Rules: Legal Counsel Jill Randolph provided a crosswalk, comparing the fire code and building code. The Board deliberated on heat detectors in garages and the separation wall between houses and garages. Executive Officer Justin Touchstone informed the Board that they could either advance the heat detector temporary rule and have public hearings to decide on additional temporary rules to bring to the legislature at a future date or the Board could deliberate further on the temporary rules so that they may bring multiple temporary rules to the legislature. The Board along with EO Touchstone edited “R330.7 Fire Detection” in the Idaho Residential Code.

A motion was made and seconded to accept R314.7.5 Heat Detectors within Garages. The motion carried unanimously.

ADJOURNMENT: A motion was made and seconded to adjourn the meeting. The motion carried unanimously, and the meeting adjourned at 10:07 AM
