**Division Staff:** Justin Touchstone, Executive Officer  
Amanda Lee, Board Support Specialist

The Public Hearing, held in Post Falls, was called to order at 8:36 AM (PST) by Executive Officer (EO) Justin Touchstone.

#### **2024 Building Code Review and Public Comment Session**

This public hearing is to gather comments about the key changes between the 2018 and 2024 International Residential Code (IRC), the 2018 and 2024 International Building Code (IBC), the 2024 International Energy Code (IEC), and the 2009 Idaho Accessibility Code (IAC) based on the 2009 A117.1 and the 2017 A117.1 American National Standard (ANS), as issued by the International Code Council (ICC).

EO Touchstone reviewed the key changes of the 2018 and 2024 versions of the IRC, IBC, and IEC. He also reviewed the differences between the 2009 IAC A117.1 and the 2017 A117.1 ANS. Members of the public that attended the hearing and provided feedback were Ted Lantzy with the City of Coeur d'Alene and Michael Hooper with the City of Hayden.

The key points addressed by the public were concerns about battery storage and handling, signage in the case of a shared bathroom, minimum snow load requirements by state versus county/city, and inspections after the building stage not allowing for corrections that could be made for better energy saving.

These comments will be presented to the Board at its next regular scheduled meeting.

#### **ADJOURNMENT**

There being no further business, the meeting was adjourned at 11:21AM.
