BOARD BUSINESS

Idaho Code Clean Up Proposal (HB14): Mr. Spencer explained the purpose of the Idaho Code Clean Up Act, enacted this year as House Bill 14. It is a targeted clean up of obsolete, outdated, and unnecessary language that has accumulated in statute. The Division is responsible to make a review of all code sections relevant to the Boards, identify sections that have become obsolete, outdated, or unnecessary and so could be repealed or modified, and provide a report by September 1, 2025 to the Legislature. Mr. Spencer stated that the legal team had completed its initial review of the Board's practice act and presented the Board with a draft of proposed changes. These changes will not be presented as Executive Agency Legislation

(EAL) for the upcoming legislative session but will be incorporated into the report.
