

24.26.01 – RULES OF MIDWIFERY

000. LEGAL AUTHORITY.

These rules are promulgated pursuant to Section 54-5504, Idaho Code. (3-28-23)

001. SCOPE.

These rules govern the licensure and regulation of the practice of midwifery in Idaho. (3-28-23)

002. -- 099. (RESERVED)

100. QUALIFICATIONS FOR LICENSURE.

Applicants for licensure must submit a completed application, required application and licensing fees, and documentation, acceptable to the Board. (3-28-23)

101. RENEWAL OF LICENSE.

01. Complete Practice Data. The information submitted by the licensed midwife must include complete practice data for the ~~calendar year preceding the date of the renewal~~ application period. Such information includes: (3-28-23)

- a. The number of clients to whom the licensed midwife has provided care; (3-28-23)
- b. The number of deliveries, including the number of cesareans or the number of vaginal births after cesarean (VBACs); (3-28-23)
- c. The average, oldest, and youngest maternal ages; (3-28-23)
- d. The number of primiparae; (3-28-23)
- e. All APGAR scores below five (5) at five (5) minutes; (3-28-23)
- f. The number of prenatal transfers and transfers during labor, delivery and immediately following birth, including transfers of mothers, transfers of babies, reasons for transfers, or transfers of all newborns being admitted to the neonatal intensive care unit (NICU) for more than twenty four (24) hours. (3-28-23)
- g. Any perinatal deaths occurring up to six weeks post-delivery, broken out by: weight, gestational age, age of the baby, and stillbirths, if any. (3-28-23)
- h. Any significant neonatal or perinatal problem, not listed above, during the six (6) weeks following birth. (3-28-23)

02. Current Cardiopulmonary Resuscitation Certification. A licensed midwife must certify on their renewal application that they possess a current certification in adult, infant, and child cardiopulmonary resuscitation and in neonatal resuscitation obtained through courses approved by the Board. (3-28-23)

03. Continuing Education Verification. The licensed midwife at renewal must certify by signed affidavit that the ~~annual~~ continuing education requirements set by the Board have been met. The Board may conduct continuing education audits. (3-28-23)

102. CONTINUING EDUCATION REQUIREMENT.

01. ~~Annual~~ Continuing Education Requirement. A licensed midwife must ~~successfully~~ complete continuing education and peer review sufficient enough to maintain professional competency and active certification as a professional midwife. a minimum of ten (10) continuing education hours per year either acceptable to North American Registry of Midwives ("NARM") as counting towards recertification of a licensed midwife as a Certified

Professional Midwife (“CPM”) or otherwise approved by the Board. Two (2) of these hours must be in peer review participation as described in Subsection 102.02.

(3-28-23)

02. Legacy Licensees. A midwife who obtained licensure prior to July 1, 2024, and who has not obtained the CPM certification must provide proof of twenty (20) practice-relevant continuing education hours prior to license renewal, including four (4) hours of peer review.

0203. Peer Review System. Peer review shall follow the standards and guidelines set forth by NARM or its successor organization. As part of the Board’s annual continuing education requirement, each licensed midwife must participate in peer review activities for a minimum of two (2) hours per year to enable licensed midwives to retrospectively present and review cases in an effort to further educate themselves about the appropriateness, quality, utilization, and ethical performance of midwifery care. (3-28-23)

a. Licensed midwives are responsible for organizing their own peer review sessions. At least three (3) licensed midwives or CPMs must participate in a peer review session in order for the session to count towards a licensed midwife’s annual two-hour peer review activity requirement. (3-28-23)

b. Each licensed midwife must make a presentation that must include the following information: (3-28-23)

i. Total number of clients currently in the licensed midwife’s care; (3-28-23)

ii. The number of women in the licensed midwife’s practice that are postpartum; (3-28-23)

iii. The number of births the licensed midwife has been involved with since the last peer review session; and (3-28-23)

iv. One (1) or more specific cases arising since the licensed midwife’s last peer review session involving serious complications or the transport of a mother or baby to the hospital. (3-28-23)

c. The information presented in a peer review session is confidential. The identities of the client, other health care providers, and other persons involved in a case may not be divulged during the peer review session. Discussion and evaluation within a peer review session shall not be shared outside the session without the consent of the licensee or used as the basis for disciplinary action against a licensee. (3-28-23)

03. Carryover Hours. A licensed midwife may carryover a maximum of five (5) hours of continuing education to meet the next year’s continuing education requirement. (3-28-23)

103. -- 199. (RESERVED)
